ALMITA MANUFACTURING LTD. Ponoka, AB – January 7, 2010 – Larry Kaumeyer, President of Almita Manufacturing Ltd., is pleased to announce that Almita received a 3 year renewal of its ISO 9001 Certification.

“I’m pleased to announce that a comprehensive review of all policies, procedures and compliance required for re-certification of our ISO Certification was completed in December 2009 and we received confirmation under the new ISO 9001:2008 standard of our re-certification,” says Larry Kaumeyer. “Receiving and maintaining ISO 9001 certification demands ongoing process improvements and a dedicated team. Our re-certification is a direct outcome of our team’s commitment to our company values and vision.”

Our NSF ISR representative Ester Perea was very pleased with our audit stating, “ISO 9001 ensures Almita has clear accountability for safety, quality and procedures that are understood by everyone in the company.” NSF International Strategic Registrations, Ltd. (NSF-ISR) provides ISO 9000 certification.
